- Two videographers
- Full-day coverage (from getting ready to last dance)
- Drone footage (venue and cinematic couple shots)
- Raw footage
- Online cloud delivery

The Cloud House Experience

*This is more than a wedding film—
it's a home for your memories, built to last for generations.*

8-12 minute Cinematic Wedding Film (deep storytelling, premium editing, and professional sound design)

Pre-Wedding "Love Story" Film (mini-documentary about your journey as a couple, filmed before the wedding, delivered before wedding and edited post-wedding as part of your Wedding Documentary)

Wedding Documentary edit (long-form storytelling with heartfelt details, interviews, and candid moments)

30-60 second teaser film (delivered within a week for sharing)
Full ceremony and full reception videos

Two videographers with full-day coverage

Drone footage (aerial views and cinematic moments)

USB Keepsake Box (beautifully packaged for long-term storage)

Raw footage included

Priority editing – faster turnaround
